Dear Kristen,

We received your request for our agents to review your agency's case reports at your Tribal Gaming Agency (TGA) office.

Section VI, E of your Tribal-State Compact requires copies of all completed investigation reports, as well as the final disposition for each report be forwarded to our agency. In order to make the process of sharing report information and case disposition more efficient, we agree, that beginning on April 1, 2002, our agents will review all of your reports on-site at the TGA office, and no copies will be forwarded unless expressly requested.

We appreciate your continued efforts to improve our partnership in regulation and control of all Class III gaming. Either agency may change this agreement by providing 60 days written notice to the other agency. If you agree with this letter, please sign in the space provided and return a copy to our agency.

Sincerely
