

APPENDIX A REVISION
Between the
Washington State Gambling Commission
And The
Yakama Tribal Gaming Agency

AAR – 2002-01

This Appendix A Revision (AAR) is entered into between the Washington State Gambling Commission (State) and the Yakama Nation (Tribe) pursuant to the Tribal-State Compact (Compact) for Class III Gaming, Section XI (A) (Adoption of Regulations and Management). Both parties signed the Compact on June 9, 1996.

Appendix A, Section 16 (2) of the Compact requires “All cash changes of \$50.00 or over shall be verified by the supervisor.”

The Tribe seeks to modify the above referenced section to have all cash exchanges of \$100.00 or over be verified by the supervisor.

Appendix A, Section 22 B. (1) requires “...the entire count and closure process shall be monitored and taped by the surveillance department and those tapes retained for a period of at least thirty (30) days.”

The Tribe seeks to remove the reference to tape retention in this section.

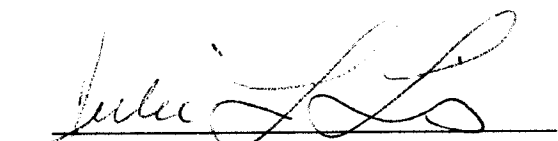

Pursuant to the Tribe's request, the Tribe and State agree to the modifications noted above. The Tribe and State further agree that should the terms of this AAR become invalid, by any means or for any reason, the wording of the affected portion of the Compact, as originally worded or subsequently amended, shall immediately be reinstated and binding.
